

Louis W. Bernick, 78, Found Dead At Home

Louis W. Bernick, 78, of 533 Ashland avenue, Mitchell, was found dead at his home at 4:30 p.m. Thursday. He had been afflicted with a heart ailment for a number of years, but had not been under medical care immediately prior to his death.

Mr. Bernick had lived alone since the death of his wife, Edna, in April. A native of East St. Louis, he moved to Granite City in 1904, and had lived in Mitchell two years.

He retired 16 years ago after working 26 years as a planer operator for General Steel Industries.

Survivors include four daughters, Mrs. Hubert (Marie) Brown, Mrs. Fred (Oleg) Bogard and Mrs. William (Olive) Hickey, all of Granite City, and Mrs. Oscar (Marie) Gonzales of Pocatemo, three sons, Charles L. Bernick, former Granite City police chief, James E. Bernick, Granite City, and Kendall J. Bernick of Greenville, Mo.; 16 grandchildren and 24 great-grandchildren.

Services were conducted at a Granite City funeral home Saturday, with interment in Lakeview Gardens Cemetery, Belleville. An obituary appears elsewhere in this issue.

Speeding Charge

A charge of speeding at 23rd street and Madison avenue was placed about noon Saturday against Keith Mathenia, 19, of 2444 Sheridan avenue. He posted his driver's license as bond.

Quad-Cityans Under Par In Church Membership

Quad-Cityans are behind the national average for total number of church members, but higher in intensity of faith if attendance figures can be a guide.

Rev. Calvin Marcum, president of the Tri-City Ministerial Association and pastor of the Name of Jesus Presbyterian Church, told the Noon Day Optimist Club on Thursday that only 25% of the total population here is enrolled in area churches, compared to the national average of 60%.

"But the percentage of members attending is well ahead of the rest of the nation," he added.

He said 17 civilizations in the world have risen and fallen because of their failure to accept the moral codes of God as given in the New Testament.

Speaking on the "Quad-City Ministerial Association: Its Purpose and Plans," Rev. Marcum said major purposes are to unite the Protestant churches through their pastors to aid the cause of Christianity in the area.

Other service goals are community observance of Good Friday and Christmas through joint services; a Protestant hospital committee to inform pastors of sick church members; a Christian education committee for joint training of Sunday school teachers and other church officers; and a social education and action committee to combat evil.

Members of the club were urged by Henry Karandoff to continue efforts for state reconsideration of the recently vetoed Hersheba Lake state park bill.

The next session of the legislature, about 40 members attended the meeting with Dr. Val Geroff and Paul Langran present as guests.

Former Madison Principal To Roxana School Post

Russell Shaver, former assistant county superintendent of schools and a former school principal in Madison, has been appointed principal of the 18th grade school by the Roxana school district board of education.

Shaver, who succeeded Clarence Propp, who resigned as principal of the school to take a similar post in the Alton school system.

Circuit Clerk Announces New Filing Fees

William V. Portell, circuit court clerk, today announced raises in filing fees in compliance with House Bill 3460, which was signed by Gov. Otto Kerners on Aug. 15. The bill was introduced by the Circuit Clerk's Association of Illinois.

Portell's office expects the new fees to raise the office revenue by approximately \$8000 a year.

Most of the raises are \$5, some fees remained the same, and others appear on the list for the first time. The price list effective Sept. 1, 1961, through Oct. 31, 1961, is as follows:

July Celebration Nets \$400 For Park District

The Fourth of July celebration sponsored by the Granite City park district this year has yielded a net profit of \$414, with \$60 still due from program ads. Total receipts were \$3068.

A breakdown of receipts includes \$340 for concession rentals, \$1217 rides receipts, and \$1275 for program ads.

Main expenditures were \$1200 to Illinois Fireworks Co. for aerial displays, \$171 to Russ Carter and the Jesters for a tennage dance, \$172 to Wood River Printing and Publishing Co. for printing expenses and \$160 to C. H. Meyers for maintenance work.

A loss of \$65 was reported on the recent softball game between the Raybestos Brakettes and St. Louis Blues. The Brakettes, girls' softball team, were paid \$250 and receipts totaled \$249. Posters and tickets accounted for the remainder of the loss.

Described by Brown as a future outstanding event here, the second annual tennis tournament completed on the weekend of Aug. 19-20 resulted in a net loss of \$47. Receipts of \$241 did not match the costs of \$288.

However, it was pointed out that the quality of the players was "much improved" since last year, with competitors here from Iowa, Chicago and St. Louis. "Next year it should make money," Brown said.

People Dumping Dogs In GC To Be Fined

Scott Craycraft, Granite City humane officer, today issued a warning to dog owners who are dumping unwanted pets near the Glenview area.

Craycraft pointed out that with the start of school many children will be on the streets and therefore if anyone is caught dumping dogs on a city street—a heavy fine will be assessed.

"If they'll call me at Glenview 1-7457, I'll come and get dogs they don't want; if they'll bring dogs to the city garage, I'll take care of them; or if they live out of town and are planning to dispose of them in Granite City, call me, and I'll meet them at the city limits," pleaded Craycraft. He added that the most recent incident was a man who was seen dumping five dogs on Adams street Thursday afternoon.

Overdose Of Pills
Treated at St. Elizabeth Hospital about 2 p.m. Saturday for taking an overdose of anti-cold tablets was a 22-year-old Granite City woman. Hospital authorities notified police who said Frances Moser, 22, of 733 North 27th place told them she had taken about 40 of the pills at her home and then called a woman friend to take her to the hospital. The officers were told by hospital authorities the woman's condition was not serious.

1880 Parochial Youngsters Await School Opening

Those "back to school bugs" will sweep through the ranks of about 1887 parochial youngsters on Tuesday, Sept. 5, when busses again sound through the five Quad-City Catholic schools.

A half-day session will be observed the first day at all schools, and some will have short school days throughout the first week, it was reported. The opening will be preceded by Mass of the Holy Ghost.

Although in general starting times will depend on whether students attend mass, a tentative schedule follows:

St. Joseph's school, 8 a.m. to 3:30 p.m.; St. Elizabeth's school, 8 a.m. to 3:15 p.m.; both Sacred Heart schools, 8 a.m. to 3:20 p.m.; St. Mark's school, 7:45 a.m. to 3:30 p.m.; and St. Mary's school, 8 a.m. to 3 p.m.

It was pointed out that the new addition to Sacred Heart, located near Glenview, will be attended only by children in grades one through four who live beyond Nameokil road.

The total number of anticipated students is 39 more than last year, when 1848 were listed shortly after school began.

AN IMPORTANT ANNOUNCEMENT TO THE PARENTS OF COLLEGE STUDENTS

The costs of a college education are steadily increasing. For many families it is difficult to lay aside enough money, in advance, to handle these costs. To meet the problem, Granite City Trust has initiated a unique, new plan. The College Education Financing Plan lets you pay for education out of regular income in convenient monthly installments over a 6-year period.

COLLEGE EDUCATION FINANCING PLAN

HERE'S THE WAY THE PLAN WORKS:

- 1.) You select the particular school or college for your child and determine how much you will need (up to \$10,000) to pay all the expenses. Use the handy table below.
- 2.) As soon as your application is approved, we will advance the first semester expenses to you. Remainder of the loan will be paid to you in 7 additional payments beginning at the start of each succeeding semester.
- 3.) Budgeted monthly payments will start one month after the date of the loan, continuing up to six years for a 4-year course.

County Employees Drop Pay Increase Request

Madison county employees have dropped a request for \$53,400 in wage increases for the current fiscal year, due to the possible deficit in this year's budget.

Robert McCormick, president of the county employees union, said today the request, made two weeks ago, was withdrawn Friday. Across the board increases of \$25 per month for 178 workers were involved.

License Suspension

A driver's license suspension was handed down last week at the Springfield office of Secretary of State Charles F. Carpenter for James L. Little Jr., 1416 Madison avenue, for reason of three traffic violations.

Mr. and Mrs. Al Barnes III Welcoming Third Daughter

Mr. and Mrs. Al Barnes III, 3400 Franklin avenue, are the proud parents of their third daughter born Saturday at St. Elizabeth Hospital and named Katherine Marie. Her weight was eight pounds, six ounces. The sisters are Peggy, three, and Debby, two. The father is assistant promotion manager for the Tri-City Grocery Co.

Car Seal Burns

An estimated \$350 damage was reported today by firemen who were called at 1:25 a.m. to 2025 Madison avenue to extinguish a fire in the back seat of a 1957 automobile. Firemen said a discarded cigarette apparently started the fire. The car belongs to Ed Kocot of that address.

Freedom Walkers On Schedule Through Area

A group of about 65 "freedom walkers" proceeded on schedule through the Quad-Cities area Saturday afternoon in their jaunt from Alton to St. Louis, designed to call attention to the discrimination.

The members of the Alton chapter of CORE and NAACP entered the area from U. S. Highway 67a about 3:30 p.m. and walked along Missouri avenue, 20th street, Madison avenue and Broadway. They circled the city hall in Granite City, where a crowd of about 400 onlookers had gathered, and continued without stopping.

No incidents were reported in the area, although in at least one location in Granite City and also in Madison attempts were made to block the sidewalk. Traffic tieups were reported as the marchers progressed, and the group, mostly Negroes with about six to eight white persons, was subject to catcalls.

Several groups that traveled by car and visited local eating establishments reported no difficulties in being served here. Dr. Alfred Kuenzli of Alton, an SIU psychology instructor and chairman of the planning committee for the group, said a meeting of the CORE group will be held in Alton Wednesday night to discuss strategy. He reported the advance group had been admitted to a swimming pool at Wood River.

Police of the area kept a close watch along the route of the march, and three state patrol cars directed traffic along the highways.

Final Library Story Hour Tomorrow

With the final children's story hour of the summer to be held at the public library tomorrow, Librarian Mrs. Mary Gene Knutke announced that attendance this year is setting a new record.

The programs have averaged 108 children for the first seven weeks. An eighth week has been added this year to accommodate the growing number of children. Former high was last year when an average of 170 youngsters attended the programs.

Tomorrow's story hour will start at the usual time, 10 a.m., and will feature a color film, "The Red Balloon," and a party.

Assisting Mrs. Knutke again will be Miss Pat Olsen and Miss Carol Stucke. The movie will be shown by Harry Fechtel. This summer's programs have each consisted of a serial story, "Joan's" games and three of our complete stories. A puppet show, given by the Fuller family, was presented one week.

Few Quad-City Men In Oct. 1 Call To Duty

Few if any Quad-City men will be involved in the Oct. 1 call-up of St. Louis' 4th National Guard unit, the 131st Tactical Fighter Wing, according to Col. Glenn T. Moran, wing commander. The unit comprised of about 1000 men was notified of impending duty Friday.

"The number of men called from the Quad-Cities would be negligible at best," he said. "Since to enter the unit one must be a resident of Missouri or else give a Missouri address."

He said former Quad-City men who moved recently to St. Louis and belonged to the unit might be involved, but that records would not show the address of men before they entered the unit.

Two Illinois units under Moran's command, fighter squadrons at Springfield and Peoria, also were ordered to active duty Oct. 1 with about 500 men each. Because of the distance from the Quad-Cities, Moran said he doubted that either of these units listed local men.

Graduate of CHS at St. Louis, a 1937 graduate of Granite City high school, assumed command of the 131st in March 1960. The former world war II fighter pilot is also a St. Louis attorney. He is credited with shooting down 17 German planes.

A few of the younger lieutenants are eager to go and some of the people are reluctant to go, Moran said, "but overall the word 'resigned' would be the attitude of most."

So far no indication has been received as to how long the unit might be asked to serve on an active status. The men will probably serve at their home station at first, Moran said. The 131st last saw duty during the Korean War.

A brother of Col. Moran, George Moran, is a Granite City attorney.

Residence Requirement The "Missouri resident" requirement would also minimize the number of Quad-City men involved in the summons to federal service of three St. Louis Army National Guard units — the 204th Signal Battalion, 16th Ordnance Co. and 18th Medical Co.

The Army units have a combined strength of about 850 men.

Burglar Flees Grill When Seen By Owner

A would-be burglar fled from the Ed & Jess Grill, 613 Parish avenue, East Madison, at 7 a.m. yesterday after he entered by removing a window from the front door only to find owner, R. Lindsey inside.

Lindsey identified the man for sheriff's deputies but when they went to his home it was learned that he had not been there all night. Lindsey said he would not file charges since nothing was taken.

Fined On 3 Charges

Lee Simpson, 31, of 2218 Fourth street, Madison, pleaded guilty as charged today before Police Magistrate Gastrovie and was fined \$50 plus court costs for driving while under the influence of liquor, \$10 and costs for illegal transportation of liquor, and \$10 plus costs for creating a disturbance. Simpson was arrested about 1:30 p.m. Saturday at West 22nd street and Madison avenue with J. W. Hayes, 39, of 1501 23rd-wardville road, who was charged with creating a disturbance and drunkenness. Hayes was released Sunday on \$32 cash bail.

Driving Charge Filed

John L. Chapline, 24, of 2428 East 25th street, was charged with careless driving today at 9:30 a.m. at 25th street and Washington avenue. He posted his driver's license as bond.

Hundreds View Eclipse Through Telescopes Friday

Hundreds of Quad-Cityans became backyard moonwatchers Friday night to witness the total eclipse which started about 8:30 and continued until after 10 o'clock.

More than a hundred local residents visited the corner of Niedringhaus avenue and Cleveland blvd., where three telescopes and a pair of binoculars were supplied by Earl Harris, manager of the Surplus store, for viewing the 98% eclipse.

As a side attraction, Harris had one scope available for viewing the ringed planet Saturn and Jupiter with its four moons. The three telescopes, 45 to 117

power, were placed on the northeast corner for clear viewing, and Harris noted that women and girls expressed more interest than men and boys.

During the 2½ hours, many families appeared with their youngsters, including babies in arms, to view the eclipse through the telescopes.

Harris said that because of the interest shown in astronomy he plans to set up the scopes again when the planets and moon are in interesting phases. He added there was some disappointment Friday in that the side of the moon visible during the eclipse did not contain many craters.

Many Home CD Shelters Being Planned In Area

Several dozen local families are planning air raid shelters, telephone calls and letters to the Granite City civil defense staff indicate.

Response to an offer of federal pamphlets describing shelter construction has been described as "terrific" by CD officials, who report that the pamphlets are available each evening at the CD building, the former fire hall on 10th street between State street and Grand avenue.

Pleads Guilty To DWI

Burt M. Jackson, 57, of 1704 Venice avenue, pleaded guilty in Edwardsville yesterday to a charge of driving while intoxicated. He was released after paying a fine of \$63 and costs. County authorities reported Jackson, 8:48 p.m. Saturday on Pontoon road near Route 111 where they said he was driving a pickup truck.

Jeanette Giese Becomes Bride Of Donald Ballard

Miss Jeanette Giese, a daughter of Mrs. Margaret Giese, 1904 Kirkpatrick homes, and William Giese of St. Louis, became the bride of Donald Ballard, a son of Mrs. Rose Ballard, 2208 Missouri avenue, Saturday afternoon at Fourth Christian Church in St. Louis.

Rev. Richard Bowler heard the vows of the couple at 2 o'clock and a reception was held later on the lawn at the home of Mr. and Mrs. Roy Stone, 1431 Salisbury street, St. Louis, an uncle and aunt of the bride.

White gladiolus and pom poms decorated the church sanctuary and a program of wedding music was furnished by Miss Ila Hildam, soloist, who sang "Because" and "O Precious Love," accompanied by Mrs. Abby Schiller, who played the traditional wedding marches.

Given in marriage by her father, the bride wore a gown of white satin and silk organza, both of which were made of white and green accessories.

Both wore white carnations.

James Ballard was his brother's best man and Glen Wright, a cousin of the bridegroom, acted as groomsmen.

When they return from a brief wedding trip, the newlyweds will reside at 2222 State street.

The bridegroom is employed by the Granite City Steel Co.

RETURN FROM ABROAD

Mrs. Helen Cantecheff and Miss Virginia Segar returned Thursday after a tour of two months abroad. They made the trip with an art study group from Temple University, Philadelphia, and their tour included among other places Turkey, Greece, Spain, Portugal, The Netherlands, and Austria.

Judith Ferguson, Robert Commire Wed At Chapel

The wedding of Miss Judith Ferguson, a daughter of Mrs. Marjorie Ferguson, 735 Twenty-seventh place, and Mr. Robert Commire, whose parents are Mr. and Mrs. George Commire of Tristram, Mich., took place Saturday evening in the chapel at the Granite City Engineer Depot with Captain Billy G. Cox officiating at the 7 o'clock service.

The bride wore a pale blue chiffon ballerina-length dress over taffeta of the same shade.

The skirt was full and the sleevesless bodice was cut to a V-neck. A crown of pearls held in place a short veil and the bride carried a bouquet of white carnations.

She was given in marriage by her uncle, Wilfred Bennett.

The attendants were Miss Carol Shane and Pte. Clifford Clark, Dick Kilber and Richard Geisler served as ushers.

Miss Shane was attired in light ochre tulle over taffeta with a small matching headpiece and a bouquet of pale yellow carnations.

The wedding reception was held directly after the service at the non-communion service club. Mr. Commire is stationed at the Engineer Depot and his bride is employed by the Tom Studebaker Construction Co. They will make their home here.

Miss Ellen Kay Friedman, whose engagement to Phillip E. Hoffsten, a son of Mr. and Mrs. E. G. Hoffsten of Morris Plains, N.J., formerly of St. Louis, is announced by her parents, Dr. and Mrs. David Friedman, 2822 State street.

Betrothal Of Miss Friedman Is Announced Here Sunday

Dr. and Mrs. David Friedman, 2822 State street, are announcing the engagement of their daughter, Miss Ellen Kay Friedman, to Phillip E. Hoffsten, a son of Mr. and Mrs. E. G. Hoffsten, formerly of St. Louis, now residing in Morris Plains, N.J.

Miss Friedman attended Perry Hall, Lake Forest, Ill., and graduated from Monticello Preparatory School. She is a member of the senior class of Washington University, majoring in English and education.

Her fiancé received a degree in chemical engineering at Washington University last June and plans this fall to enter the School of Medicine at Washington University, where he is presently working under Student Research Fellowship in the Department of Pharmacology.

PULP-MILITELLO WEDDING

Miss Janice Marie Militello, a daughter of Mr. and Mrs. Leo J. Militello, 459 Evans avenue, Wood River, became the bride of Omer Karl Pulp, a son of Mr. and Mrs. Karl Pulp, 431 N. Sixth street, Wood River, formerly of this city, Thursday evening at First Methodist Church in Wood River. The Rev. Edwin Grant officiated at 7:30 and a reception followed in the Sky Room of Hotel Stratford.

A grandson of Mrs. Louise Brummer, 2310 Delmar avenue, the bridegroom graduated from Wood River-East Alton community high school and attended Bradley University at Peoria, Ill.

He is employed by his father at Pulp's Drug Store, Wood River. The former Miss Militello graduated from the same high school in 1960.

Upon their return from a honeymoon trip the couple will live at 129 N. Third street, Wood River.

VISIT IN EAST

Mr. and Mrs. Claude Morse and son, Archie, 2708 Buxton avenue, have just returned from a visit with another son, Bud Bramscomb, and his family in New York.

Golden Circle Class Meets

The Golden Circle Class of Third Baptist Church met Friday evening with Mrs. Riley Webb on Rural Route One.

Mrs. Wally Gauen, president, read a note of thanks from the Lincoln Place Mission for fruit juice supplies as one of the projects of the class and plans were made for contributing toward the purchase of a silver coffee service for the church.

After the business hour, the teacher, Mrs. Robert Fitzgerald, outlined the duties of the class officers and devotions were led by Mrs. Richard Kozikowski.

The remainder of the evening was spent at games and awards were made to Miss Shirley Gott and Mrs. Kozikowski. Refreshments were served by the hostess and all joined in group singing.

Also present were Mrs. David Davenport and Mrs. Harvey Moore.

The next meeting will be Sept. 22 in the home of Mrs. Fitzgerald, 2840 Forest avenue.

Mary Jo Wickham, Samuel Akeman Are Wed Saturday

Altar conquests of pink gladiolus, combined with arrangements of greenery, adorned Second Baptist Church Saturday evening for the wedding of Miss Mary Jo Wickham and Samuel Akeman.

Standard candelabra holding flickering tapers provided the setting for the 8 o'clock ceremony, and ribbons of white satin marked the family pews. Rev. W. L. Showers officiated at the double ring service.

The bride is a daughter of Mr. and Mrs. Joseph H. Wickham, 2837 Dogwood drive. Mr. Akeman's parents are Mr. and Mrs. V. Gale Akeman, 2436 Bryan avenue.

Miss Betty Hoffman was at the organ and accompanied the soloist, Miss June Nightwine, as she sang "With This Ring I Thee Wed," the Lord's Prayer and "Whither Thou Goest." A reception was held at the church immediately following the ceremony.

Mr. Wickham gave his daughter in marriage. Her gown of silk mist tulle was designed with a fitted bodice trimmed with rose point lace appliques incrusted with seed pearls and iridescent sequins. Long tapering sleeves ending in points at the hands were set into the bodice, and the very bouffant skirt was appliqued with large flowers at either side of the front. It was caught up in a huge draped bustle which flowed into a chapel train.

A crown of pearls, sequins and lace held in place the bride's veil of silk illusion and she carried a cascade of white and delicate pink gladiolus combined with stephanotis and English ivy tied with white satin ribbon.

The attendants, Miss Charlotte Wickham, the bride's sis-

ter, as maid of honor, and Mrs. Gilbert Frith, the former Mary Garrard, Miss Paula Humphrey, and Miss Virginia Humphrey, cousins of the bride from Jefferson City, Mo., bridesmaids, were dressed alike in mint green silk organza over tulle in the same shade.

Stylish with scoop necklines and short sleeves, the dresses were worn with cummerbunds and organza roses at the waistlines in front. Bell-shaped, the skirts were street-length and d and lo pleated. Picture hats topped with small organza flowers completed their costumes and they held cascade bouquets of pink gladiolus with pink ribbons.

The dress of the flower girl, Kathy King, a daughter of Mr. and Mrs. Charles King and a cousin of the bride, was a miniature copy of the bride's gown, except for the short sleeves. She carried a small colonial bouquet of pink and white carnations.

With her was the ringbearer, Mark Allen Akeman, a nephew of the bridegroom, and son of Mr. and Mrs. Robert Akeman of Tulsa, Okla.

Ralph Craycraft was best man for Mr. Akeman, and groomsmen and ushers included Norman Grote, Max Mahon, Gilbert Frith, Paul Halbert and James Grote.

For her daughter's wedding, Mrs. Wickham wore a Venetian rose sheath dress with a short overskirt, a pink hat and pink accessories. Mrs. Akeman, the bridegroom's mother, selected a costume of orchid lace over tulle, accessorized with white and both wore white carnation corsages.

After a wedding trip to the Ozarks, the newweds will live at 2039 Cleveland blvd. The former Miss Wickham graduated from Granite City High school and is employed by the First National Bank in St. Louis.

Miss Sharon Ruth Malone, a daughter of Mr. and Mrs. John W. Malone, 2459 Hodges avenue, became Mrs. Leonard Svoboda in a ceremony taking place at St. Cecilia's Catholic Church in Glen Carbon. The Rev. Paul Heintz officiated.

The bride wore a ballerina-length dress of off-white satin with a bell shaped skirt, a short veil and carried a bouquet of white gladiolus, carnations and orchids. She was attended by her sister, Miss Shannon Malone, in deep purple satin. Her dress was styled along the same lines as the bride's and she wore a matching head piece and shoes. Her flowers were white gladiolus.

The bridegroom, a son of Mr. and Mrs. Frank Svoboda of Rural Route Four, Edwardsville, had his brother, Roman Svoboda, as best man.

For her daughter's wedding, Mrs. Malone selected a beige sheath dress of lace with mocha hat and accessories and a corsage of yellow roses. The bridegroom's mother wore a dark blue and orchid flowered print with white accessories and white flowers.

A breakfast for the wedding party, the families and a few close friends was held at a local restaurant and additional guests attended an evening reception at the Polish Hall in Madison.

The newweds will reside temporarily at 2421 Sheridan avenue. Mr. Svoboda is employed by the Dow Metal Products Co. His bride holds a position with a St. Louis firm.

MRS. SAMUEL D. AKEMAN, who was married Saturday evening at Second Baptist Church. A daughter of Mr. and Mrs. Joseph H. Wickham, 2837 Dogwood drive, the bride is the former Mary Jo Wickham.

From Granite City High school and is employed by the First National Bank in St. Louis. Mr. Akeman, also a graduate of the local high school, is employed by McDonnell Aircraft Corp.

Among the out-of-town guests here for the wedding and reception were Mr. and Mrs. Robert Akeman of Tulsa, Okla., Mr. and Mrs. Byron Humphrey, and Mr. and Mrs. Robert McVay of Jefferson City, Mo., Mr. and Mrs. Carl Humphrey of Iberia, Mo., Harold Wickham, Ray Wickham, grandfather of the bride, and Mr. and Mrs. Hubert Morrow of Eldon, Mo.

Class B Regional Softball Tourney Open Tonight; Four Teams Entered

Four local teams begin a single elimination battle tonight at Wilson Park with a berth in the Illinois Amateur Softball Association Class B state tournament, the winner's reward.

Moore Club 272 of the Park Class B League and Union Street & Refining Co. of the YMCA Industrial pool will play at 7 p.m. Following at 8:15 will be a first round game between Modern Furnace and the Graniters, both members of the Class B League.

Tonight's winners play again tomorrow evening in the regional final, beginning at 7 o'clock. The tournament champion then goes on to Danville later this week, and will play the winner of the Springfield-Strasburg fast round game of Tuesday.

The local champions' first appearance will be at 3:30 p.m. Saturday afternoon. The 20-team tournament is a single elimination affair, with initial first round games to begin tomorrow evening.

The championship will be decided in an 8 a.m. Labor Day encounter between the survivors of upper and lower bracket play. The Peoria Rockets are defending state champions. Two other teams from this area—the winner and runner-up at the Wood River regional, will be represented at Danville.

ASA Class B championship play ends at the state level. The title was won by Mills & Mickey's of Granite City in 1950 when the state tournament was

Slow Pitch Playoffs To Big Top Bowl

Big Top Bowl overcame a six-run first-inning deficit Thursday night at Wilson Park to win the playoff title in the 35-Pup Slow Pitch Softball League.

The regular season champions were blanked—in only the first inning, and finished strong in a 2-0 decision over challenger Granite City Trust & Savings Bank.

Big Top's Bill Wolfe topped hitting stars in the game when he connected for a bases-loaded home run. Other Big Top batters who joined in the 21 hit run included Babe Ameling, Ike Bauer and Bill Tutka, each of whom hit homers. Ameling also had a triple.

Sonny Miloski, who gave up 16 hits but survived Trust & Savings' six-run first, was the winning pitcher. The losers did not dent the plate again until the seventh. Paul Thompson was Miloski's batterymate.

Ollie Jacobsmeyer started for Trust Bank and was relieved by Steve Hordecky. Beginning with the second frame, Big Top collected at least one run from there on up, topping the show with six runs in the fourth stanza.

Fred Schmidt worked behind the plate for Trust Bank. The losers got three base hits off the bats of Keith Barker and Bill Hildreth.

Grunt And Groan Routines Underway At GC, Madison Practice Gridirons

Conditioning—a word which chills the blood of many a football neophyte—will be the watchword this week as Granite City and Madison high school gridiron teams go through their first week of pre-season practice.

With the time-consuming assembly line procedure of equipment issue completed—except for the usual number of late-comers and stragglers—head football Coaches Andy Sullivan of GCHS and Glen Pickering of Madison got down to the basic fundamentals today.

The Warriors got a personal look-see from the coaching staff this morning. There were more weigh-ins and physical checks by "doctors" Sullivan, Gordon Galbreath, Don "Duke" Brumleve, Ross Rosenthal and Joe Pedora, and Sullivan pronounced some 40 varsity candidates as unusually sound for this time of year.

"In fact," said Sullivan, "there are quite a few who came in already under the playing weight of last fall."

But everybody was scheduled for the fall's first conditioning drills this afternoon, plus a few minutes of practical application of the fundamentals of football during

Light contact work for varsity

candidates, including 19 lettermen from last year's 1-9 season, will begin tomorrow. Backfield aspirants will go through signal drills tomorrow afternoon, and join with ends for some work on pass patterns.

By Thursday, thanks to two-day workouts, Sullivan hopes to get in some dummy scrimmage and gradually step up the intensity of contact work.

"Not Very Big" Sullivan balanced his observation as to the above-par physical condition of some of his specimens by: "But, we're not very big physically."

A bit further south and east, Pickering had chalk talks and conditioning exercises on his mind as he greeted some 50 candidates for Madison's varsity club this afternoon.

Classes resumed this morning in Madison, but were dispensed early. Beginning tomorrow, Pickering will be limited to one workout per day, beginning about 4 p.m.

Linemen will test a new block-building sled—or vice versa—on Tuesday and "Pick" plans to begin efforts to perfect timing and hand-offs among members of the backfield corps.

Stress conditioning Respected by sometimes groan-

ing pad-wearers because of his stress on physical conditioning, Pickering nevertheless said he plans to maintain the muscle-stretching at the same pitch as last fall.

He admitted candidly that he expects "around 10" of his varsity candidates to drop out because of the frequent and strenuousity of exercise periods these next three weeks.

But the Madison coach also said he again expects to field one of the most well-conditioned teams in the area on Sept. 15. Light contact will begin Wednesday afternoon and continue the following day. Because school takes up one week earlier in Madison than in Granite City, Pickering also is planning Labor Day weekend workouts.

In his first year at the helm last fall, Pickering introduced the wing-T as Madison's basic offense. He has seen returning lettermen and several juniors who are familiar with the seldom-used-in-these-parts formation; but others, including freshmen, will need to be introduced to it.

Freshmen, who drew their equipment in Madison today, will work under Coach Bob Page. Pickering and Assistant Coach Joe Asperger have charge of the sophomore and varsity workouts.

NEW HELMETS get the once-over from Madison high school's football board of strategy, Assistant Coach Joe Asperger (left) and Head Coach Glen Pickering. Trojan football aspirants will try them on for size at opening practice sessions this week.

Police Capture Owl On Washington Ave.

A barn owl, found in the street in the 2700 block of Washington avenue, was captured yesterday morning by Granite City Patrolman Ralph Parmley.

Parmley, who caught the owl in a box, took it home and said he plans to feed and train it as a pet. "First of all," he explained, "I'll have to trim its long claws."

Police were notified about 9:30 a.m. by a woman resident of the block that there was a "strange bird" in the street. Parmley said he had no difficulty in making the capture of the owl, which stands about 12 inches high.

Red Sox Surprise Hearts; Mercer Stays Close With 7-2 Win Over Collinsville

Mercer 7, Collinsville 2
Marsville 8, Sacred Heart 0
Troy & Moore Club 7
Meatier Glass 9, Pocahontas 3

Mercer Funeral Home sabotaged any plans the Collinsville Boosters may have had for closing the gap with Inter-City Baseball League Red division leader Moose Lodge yesterday afternoon at Wilson Park with a 7-2 victory over the Boosters.

Moose, still leading the Red division by two games, had been beaten 8-7 in an upset at Troy. But Mercer, which still has title hopes of its own in the Blue loop race, stayed one game below the frequent and frequent and which defeated Pocahontas 9-3.

Granite City's Sacred Heart, which clinched third place and a playoff berth in the Red division last week, was whitewashed by lowly Marsville 8-0, and Carpenter drew a forfeit victory over Defunct White City to round out weekend action.

Pitcher Is Bat Star

The Hearts matched last place Marsville's hit total with four hits, including a double, and Monroe Worthen tagged Mueller for a triple. Nobody could follow, however, and the Red Sox backed Mueller with errorless baseball.

Don Crabtree started for the Hearts, and was relieved in the sixth by John Rains with Buente 209.

the score 6-0. Harry Smith caught for the Hearts and Rich Saugert for Marsville.

Burge Unloads

A bases-loaded triple in the first inning of the Hearts' victory off to a flying start against Collinsville, Burge unloaded after Ken Cook reached on an error.

Don Crabtree singled and Rich Branding was purposely passed. Rudy Diak then singled to score Burge with the fourth run in the inning.

That was all for loser Bill Johnson. Bob Vetter took over in the second and was greeted by Jack Buente's single, Crabtree's RBI triple, a walk and stolen base by Charles Johnson and Branding's two-run single.

The Boosters scored both their runs in the second off Buente, who picked up his 10th victory to go with three losses and pitched the complete game.

On Saturday, Mercer was tripped by the Menard State Prison team, 5-4, in an exhibition game which may have cost the club the services of hot-hitting Gary Burnmaster for the remainder of the season. Burnmaster suffered a broken finger in the game.

Coast-to-Coast Air Race Stopover On Wednesday At Lakeside Airport

Lakeside Airport will serve as an overnight stop-off point Wednesday for pilots participating in the Silver Wings coast-to-coast air race for light planes.

Omar Midyett, manager of the local airport and a member of the Silver Wings fraternity which sponsors the annual race, said two pilots will fly here from Oklahoma City, Okla., and are scheduled to touch down Wednesday.

The following morning, two other pilots will take off, bound for Springfield, Ill., as the race progresses.

The relay race began Saturday in Oakland, Calif., and is scheduled to conclude Labor Day in New York City. Each team of pilots is flying approximately 200 miles between major cities along the route, and both men and women are participating.

Flying Time Check

The winning relay team will be determined by checking the total flying time. Stop offs and lay-overs will be disregarded, provided they are made at airports previously designated as check points.

Scheduled to arrive here Wednesday in a light plane are Judge Russell Rodman of Cherokee, Ia., and Mrs. M. D. Talley of Mangrove, Okla.

After an all-night stay, they will turn over their credentials to Kent Boyd of Kansas City, Mo. and Nelson Weber of Springfield, Ill. The latter pair will continue to Springfield Thursday morning.

The Silver Wings group is

Rick's Wins Teen Playoff Crown, 8-1

Regular season champion Rick's Market earned its second trophy of the summer in Senior Teenage Softball league circles Thursday night by defeating Bowland 8-1 in the post-season playoff final at Wilson Park.

Bob Hoffek, who pitched shutout softball for six innings after giving up a lone run in the first, was the winning pitcher. Bill Seaside worked behind the plate for Rick's.

Bill Fowler started for Bowland and was the loser. Mike Lombard and Harold Ellis worked in relief for the losers, with Ellis and Sacki Nigholostan dividing the catching chores.

Hoffek tossed a five hitter, with Bowland's only long blow being Norval Baker's triple. Rick's collected 10 safeties, and had two big innings, scoring three in the third and four in the fifth.

LOCATION OF FEDERAL AID ROUTE 151, together with access intersections shown by black circles, as pictured by H. W. Lochner & Co., Chicago, the project engineers. First phase of the multi-million dollar four-lane, divided highway will run south from the new interchange west of Mitchell to Main street in Venice, a distance of approximately six miles. This section has been given high priority in the federal-state highway program, with completion expected in the next three to four years.

The accompanying map, top of which shows the canal and Mississippi river to the west of the highway, does not include slightly over a mile of the route to the north (right side of the map). From the end of the dotted highway

line, Route 151 parallels Alternate 67 north for a distance of about a quarter-mile, then veers northwesterly for a mile to connect with the Mitchell interchange. At that point it links with the new highway north to Alton and also with the new east-west Federal Aid Interstate Route 270 that eventually will carry traffic over a new bridge crossing the Mississippi river just above the present Chain of Rocks Bridge.

Following the dotted highway line at the lower right corner of the map, Route 151 leaves Alternate 67 and travels southwesterly through a new intersection with West Pantoon road (circle 1). It continues on behind A. O. Smith Corp. plant to an intersection with North road (circle 2); then to Rock road (circle 3); to 20th street

(circle 4); along part of Cedar street to Niedringhaus avenue (circle 5); between the railroad tracks and the Granite City Engineer Depot to Bissell avenue (circle 6); and joins with the north end of Main street in Venice, approximately where Circle 7 is shown. Continuation of Route 151 from this point on south, as indicated on the map, would be part of the next phase of construction.

Circle 7, which involves a ramped configuration, and the short dotted highway line leading east from it, are in the future and probably would require some local financing, since access to the Venice-owned McKinley bridge would be a major objective. Broadway would be re-located (as shown by the short dotted line) and go under the network of railroad tracks. The ramped configuration then

would allow movement of traffic in all directions. Through traffic on Route 151 would continue south to East St. Louis via an overhead over the McKinley bridge approach, returning to grade after crossing the network of railroad tracks just east of Main street. McKinley bridge is (A) and Merchants bridge is (B) on the map.

The six intersections that are part of the first section to be built were described by the engineers as highly-channeled and equipped with electric signals for maximum safety and flow of traffic. There would be bridges over the Illinois Terminal Railroad tracks leading to Granite City Harbor, behind A. O. Smith Corp., and also over part of the Engineer Depot south of the Niedringhaus avenue entrance.

Seek Insurance Bids

The Madison County Housing Authority is seeking bids on owners' landlords' and tenants' public liability insurance for various housing projects owned and operated by the authority. They will be received at its central office, 80 Greiner Homes, Madison, until 2 p. m. Sept. 15.

Six Lincoln High Grads Plan To Enter Colleges

Six of the 15 June graduates of Lincoln high school in Venice are planning to go to college or nursing school this fall, if transcripts of their grades are accepted and all other arrangements can be completed. Last year five of 18 graduates attended college. Southern Illinois University's southwestern campus is the choice of Earl Crawford, Sarah Houltz, Eugene Cox and Thelma Wise. Dorothy Howard plans to enter Normal Illinois University. Normal, and Ethel Dumas will attend nursing school in Indiana.

Boy Cut Slightly

When Door Pane Breaks

A boy who ran his arm and shoulder through glass panes of a storm door was one of two youngsters treated for cuts Friday at St. Elizabeth Hospital. Timothy Harper, six, 3137 Ash avenue, was knocking on the garage door at the rear of his home when the pane broke. Lacerations to his left shoulder, left ear and left side of his back were bandaged and he was released.

Triela Kinworthy, eight, 3001 Buxton avenue, required three stitches to close a cut to her right heel, suffered when she caught it in the spokes of a bicycle.

Mrs. Julia Williams Dies In Kentucky At 80

Mrs. Julia Williams, 80, a former seven-year resident of Granite City, died Thursday at the Virginia Convalescent Nursing Home in Louisville, Ky., where she had been a patient six years. She was the mother of Melvin Williams of Granite City.

Mrs. Williams was the widow of George Williams, a retired railroad worker, who died here in 1931. They made their home at 2450 Edison avenue.

She was born in Belmont, Ill., but spent most of her life in Lawrenceburg, Ky. She was a member of the New Baden, Ill., Methodist church.

Survivors, in addition to her son here, include two other sons, Marion of New Albany, Ind., and Max of Louisville, Ky.; two daughters, Miss Verla McGary, Houston, Texas, and Mrs. Evelyn Kovar of Florissant, Mo.; three sisters, Mrs. Sadie McMahel, Mt. Carmel, Mrs. Jane Briscoe, Alton and Mrs. Mabel Briggs, Washington, Ill.; a brother, John Coile, Browns, 12 grandchildren and 12 great-grandchildren.

Funeral services were conducted Saturday at a Granite City funeral home, with burial in St. John's Cemetery. An obituary appears elsewhere in this issue.

Madison Lions Ready

For Sept. 10 Picnic

Final preparations for the annual fall picnic were discussed at Thursday's meeting of the Madison Lions Club attended by 35 Lions and three guests. The picnic, free to all members and their families, will be at Cecil Dant's farm near Edwardsville Sept. 10.

It was announced that a plaque will be purchased from Lions International, engraved with names of all club presidents since 1941, and mounted in the Sportsman's Club where the group meets. Madison Mayor Macraes seeks to finance the plaque, a spokesman said. President Al Love presided at the meeting.

Uniformity In Tavern Closing Hours Should Be Goal Of All In Current Dispute

Uniformity in tavern hours remains the central issue in the current difference of opinion over new closing times for unincorporated county areas. Such uniformity is a proper goal for all parties involved—the County Board of Supervisors, ministerial groups, tavern operators and, indirectly, city governments.

Past experience with late tavern hours has shown clearly that they increase law enforcement problems. Closing hours that lack uniformity encourage persons interested in long drinking to drink in one area and then move on to the next, often creating disturbances and violence as the night draws to a close.

Both Board Chairman Haller and area ministers have agreed to a discussion at the December meeting, and we hope that a decision bringing uniformity will be the result. If this is not possible at a single session, perhaps the interested groups should hold conferences to work out a solution. The issue is not impossible to solve, if all concentrate on the major need—uniformity.

Vetoes Disappointing To Lake Park, Drainage Advocates In This Area

The governor of Illinois has just set a new all-time veto record. And two of his vetoes, relating to Granite City drainage and creation of a state park at Horseshoe Lake, have shattered a lot of hopes in the Quad-Cities.

"Veto" is a small but mighty word. If the lake bill had been allowed to become law and its appropriation then were frozen, some funds might have become available to bring the proposal closer to reality; land acquisition is bound to be costlier the longer it is delayed.

And if the drainage bill, almost unanimously approved by both Houses, had been permitted to stand, there would have been no adverse effect on the state's current financial problems. The program for use of increased levee district bonding power was sound and would have gone a long way toward solving this community's pressing stormwater, pollution and drainage deficiencies. The veto message, citing a "remedy" that will not be of any help, was surprising, in view of the governor's prior approval of this legislation.

We do concur in one of his many other vetoes, that of an Illinois-set minimum wage for firemen and policemen. Such matters are properly the responsibility of each city and can best be assessed by the cities. This is true even though paid Quad-City firemen and policemen would not be affected by the legislation, since they already are being paid more than the proposed minimum.

Sales Tax Collection Will Result In Equal Competitive Position

The Illinois Revenue Department's determination to collect sales taxes on Missouri purchases, long overdue, will remove the unfair competitive disadvantage local stores have been burdened with for many years.

No one likes to pay any more taxes on an

article than absolutely necessary. But what is fair for some stores is fair for all, and it is not right for our neighbors to the west to have an artificial advantage over Quad-City firms, which pay taxes, give to welfare drives and in many other ways contribute to the well-being of this community.

Local stores can and do hold their own when it comes to offering quality merchandise and services at reasonable prices. Judging by the comments of Revenue Director Isaacs, they soon will have equal tax treatment.

Inflation, like some diseases, is dangerous because of its after-effects.

Berlin Is A Window To The Communist Country Beyond

(Editor's note: This is the fourth of a series of guest editorials by Oguz Bulent Nayan of Turkey, who is doing post-graduate work at Southern Illinois University and is currently on the news staff of the Press-Record.)

"To be or not to be . . ."
Berlin is a window to the Iron Curtain today through which you can see what kind of a paradise (?) lies behind those barbed wires.

Since the gates and the roads have been closed to the West in order to stop the exodus of thousands every week, a few (journalists and military personnel) have taken some dramatic trips to this sadly shaken part of the city. The scene they saw was not a very pleasant one. Police forces and the militants on the streets, guns in hand, keeping watchful eyes on the restless and nervous people of East Germany. This was the first sharp impression you get when you enter to the East side of Berlin.

On the one hand, the mouths of Communist propagandists were putting out stories about this paradise (?) and the joy of living in these peoples' republics; on the other hand, they were banning the borders, putting guards on every corner to force the people to stay in these big concentration camps. It was not long ago to our knowledge that this happened in Hungary, in Poland, in Bulgaria, in Romania, in USSR, in Communist China, in all communist countries. But, this time, the situation is a little bit different in Berlin.

Berlin is just not like the other countries when you can close the borders and hide the facts behind the mountains. The communist government of East Germany now is practicing in the way of an ostrich hiding his head in the sands. There are streets which one side is West, the other is East, and the people of the West look through these windows of the Iron Curtain and see what is going on, on the other side. It is impossible for East Germany to build up a China Wall in this time of the world. So the facts are in the open to all who can and wish to see differences. The reality is in hand to those who can judge with the examples. The Berlin situation puts the long time question to the minds of the "Brave Men" of the free world: "To be or not to be . . ."

You cannot expect success if it depends upon the failure of others.

Post 307 Assists Students On 27,000-Mile Tour

Legionnaires of Venice-Madison Post 307 added a group of New York college students yesterday afternoon resumed a 27,000-mile good will tour which will take them to over 80 universities in Central and South America.

The students, on a year's leave of absence from their classes, were given four spare tires for their tour surplus amphibious Army truck. Two spare tires had been stolen off the truck during a recent lay-over in St. Louis, and the group didn't have funds to buy more. Louis Saunder, Post 307 commander, told the Press-Record the post had recently bought two spare tires for its "Duck" and members decided to help the young men with a donation of the old tires.

The students arrived here with their "Duck" yesterday afternoon to pick up the tires and resumed their travels from the Venice-Madison post home on Broadway.

Robert Hinds, 21, of Gloversville, N. Y., president of the group which calls itself "Operation America," said it is hoped the 27,000-mile tour can be completed with the 12 tires they now have.

Tire Trouble Developing
"Hear that hissing noise?" he pointed out. "Sounds like we'll soon have just 11 tires. We're truly grateful for the four given us by Post 307."

Hinds and the group were given royal treatment at the Legion Post. Steaks were being

Walter Kutrieb, 20, of Tarrytown, N. Y., a graduate student who plans to enter Cornell University upon completion of the tour, explained the role of the student's role in the excursion. He is navigator, photographer and cook.

Fraser Shaw, 19, of Bethpage, Long Island, a Drew University student, is the musical ambassador, and will play the guitar on the tour. George Burill, 19, of Yonkers, N. Y., is the historian. William Hayes, 19, of Bronxville, N. Y., is the mechanic. Tom Twomey, 23, of Worcester, N. Y., who are radio operators and general handmen.

The amphibious truck, piled high with spare tires, a bicycle, outboard motor, stove and miscellaneous equipment, also provides sleeping quarters for the students.

"We feel a lot better now that we have these extra tires," Hinds called out as the team drove off from Venice to their headquarters at Belleville where they left last night.

her husband, was unable to find work and had no money. The houses were not insured, and she had earlier that day told the Keltons to move out or she would burn them out.

"I couldn't sell the property, so I decided to burn the houses down and go to jail," she told Gitchett.

Also destroyed was a high board fence, which surrounded the two houses.

not in session that day; employment of matrons from among the cafeteria personnel of Local 98; and a more detailed grievance procedure.

Contract talks have not yet started with teamster, laborer, painter and carpenter locals, representing six school maintenance employees.

During talks in July and August, administrators offered the custodians a \$60 raise the first year and \$120 the second, and then proposed a three-year pact including hourly boosts of three cents each of the first two years and six cents in 1963-64. The original offer asked for a \$300 raise, instead of after five hours, an additional holiday, Monday. Thursday, if school is

costing \$500 a custodian.

Meetings, Registration in GC School System this Week

New senior and junior high school students in Granite City will register in their new schools beginning Wednesday and continuing through Friday, from 9 a. m. to 4 p. m. daily. Dr. Harold M. Kaiser, superintendent, has announced.

Other high school students will register at the school they will attend Wednesday only, from 9 a. m. to 4 p. m. School will begin for all pupils in Granite City public schools with a half-day session Tuesday, Sept. 5. Junior and senior high students will attend from 8:10 a. m. to 5 p. m., while elementary pupils will be in class from 9 a. m. to noon. Regular bus routes will be followed, but no cafeteria service will be available the first day.

Beginning Sept. 6, a full academic schedule will be followed, with elementary students attending from 9 a. m. to 3:30 p. m., junior and senior high students attending from 8:10 a. m. to 3:25 p. m. Catechism will be held from 8:10 a. m. to 9 a. m. on Friday at the high school.

Dr. Kaiser said the administrative staff has scheduled meetings of all school staff members this week to review school policies and procedures.

Principals are scheduled to meet tomorrow and Wednesday. At Central junior high school, meetings will be held for the school staff, including a complete review of additional books and additional mobile laboratory and new shops. Central school will offer an increased supply of library books, an additional counselor and an expanded guidance program.

At the elementary level, textbooks and instructional materials have been improved considerably, math and reading materials have been increased, and improved audio-visual instruction is available for all schools. More emphasis will be placed on science at the elementary level. Dr. Kaiser said, and teacher workshops have been conducted in the county to improve instruction.

New Classrooms
Ten new classrooms are nearing completion, six at Maryville school and four at Wilson, and two more were created at Grant. Kitchen facilities have been improved at Mitchell, Stalings and Webster, and lighting has been installed at Mitchell and Namoki.

In the field of special education, additional materials have been added to the educable mentally handicapped program. The superintendent reports, room equipment has been improved at Central school, and the speech area has been improved by additional oral training equipment.

Also, homebound instruction for the physically handicapped has been improved by additional instructional materials, slides and other tools of visual education. "I feel that the board of education should be complimented in their foresight to permit such improvements in our school district," Dr. Kaiser concluded.

"I am very proud of the fact that Granite City Community Unit School District No. 9 rates as one of the best school systems in the state."

No Plan For Defention Home Referendum

Contrary to earlier reports, there are no immediate plans to place a county juvenile detention home building referendum before the public, William B. Webb, Jr., chairman of the Madison county board of supervisors detention home committee, told the Press-Record on Saturday.

Webb said members of the committee, meeting Friday morning "merely talked about the possibility of a referendum," and that no decision will be made until the committee hears a report from the board's finance committee.

"Any action on a referendum will come only after we hear the finance committee's decision on whether or not part of the half cent sales tax now levied will continue to go into the building fund or whether it will be returned to the general fund," Webb said.

The county has been collecting the sales tax in unincorporated areas of Madison county for the past year, and 40% of the collections have been placed in the detention home building fund, an amount which will total about \$125,000 by the end of this month, Webb estimated.

Plans for the detention home were approved by the board on March 15, and an estimated construction cost of near \$200,000. All bids on the structure were rejected, however; the lowest was \$329,000.

The return of the construction bid's current share of sales tax collections to the general fund is being considered due to an expected deficit in the county budget.

Webb said that if such action is taken by the board on the recommendation of the finance committee he will "call a meeting with the general public to discuss a referendum, pro and con."

Actual terms of the agreement between the Agency and the Corps of Engineers has not been made public, but Col. Smyser said the pact calls for payment of several thousand dollars a year for use of the government-owned land. An operating agreement between the agency and the Illinois Grain Corp. calls for minimum annual payments of \$100,000 for interest and principal payments on the bonds, insurance payments, and \$30,000 to cover administrative expenses and lease payments.

1100-Foot Frontage
The giant grain storage facility will have a 1100-foot frontage, with space for docking four barges and loading or unloading a fifth. It will be served by a spur track of the Illinois Terminal Railroad and a paved truck road connecting it with 20th street.

The structure itself, a concrete silo type with two battens of storage bins, will be protected by a federally constructed and maintained levee

against a river stage five feet higher than the present flood stage. Grain can be received by truck, rail and barge simultaneously.

Unloading will be accomplished at the rate of 10,000 bushels per hour by unloading equipment including a straight dumper and a power shovel type weighing will be located on the paved driveway leading to and from the dumper, and trucks for 50 railroad cars on either side of the dumper will be provided.

From the dumping area, a bucket type elevator with a 15,000 bushel per hour capacity will carry the grain to the bins. The mechanism will be reversible, and may be used to carry grain over the levee either from the elevator structure or to it. The distribution, collection, and elevating system will have a capacity of 20,000 bushels per hour. Split bins will be included in the facility for cleaning, shipping and drying.

Provisions are to be included for two gas-fired grain dryers, each of which will be capable of drying 15,000 bushels of grain a hour, with grain flowing from a bin into the dryer and back into the same bin in a single, continuous operation.

Shot Fired Into Venice Apartment From Outside

Mrs. Alma Johnson, 909a Main street, Venice, reported to police Friday morning that she had found a bullet, which apparently was fired through a window from the outside, lodged in a curtain in her apartment. She said she did not hear a shot, but thought it might have been fired during the night while a passing train drowned out the noise.

Police said the lower window at the front of the apartment was raised, and the .38-caliber slug went through both it and the top window, striking the ceiling and wall at the back of the room and ricocheting into a curtain on a front window. They are investigating the incident.

Backs Into Truck

Benjamin A. McMillon, 39, of 3708 Ruth street, was charged with failure to yield the right-of-way following an accident in the 2900 block of Nameoki road Friday at 12:25 p.m. Police reported that McMillon backed out onto Nameoki road and struck a northbound pickup truck driven by Lynn A. Nash, 20, of 1217a Klein street, Venice, who had stopped when he saw the McMillon vehicle coming. No injuries were reported.

Madison Man Charged

With Reckless Driving

A hearing has been set for Sept. 2 for Charles L. Meyer, 24, of 1727 Edwardsville road, Madison, who was charged by police with reckless driving following a three-car collision on Madison avenue at 17th street Saturday at 6:40 a.m.

Northbound on Madison and attempting to make a left turn at 17th, police said Meyer struck the left rear of another northbound car driven by Barney W. Dasher, 69 East St. Louis, who was attempting to pass. Then the Meyer vehicle struck the left rear of another car driven by Ella M. Beaver, 38, of 1621 Courtenay blvd., who had stopped in the southbound lane trying to make a turn. No injuries were reported and Meyer was released when he posted his driver's license as bond.

State Charities Granted

To Real Estate Firm

Willshire Manor Inc., 1318 Niedringhaus avenue, has been granted an Illinois corporation charter. Secretary of State Charles P. Carpenter announced over the weekend.

To carry on real estate and construction business, the firm lists as officers and correspondents Everett G. Steele, Josephine Steele, William J. Steele and Joseph C. Steele. Two shares of common stock were listed at \$100 each.

Three Cars Damaged

A charge of reckless driving was placed against a young St. Louis motorist, Charles J. Taylor, 17, whose auto struck two cars parked on 10th street at Madison avenue Saturday afternoon. Madison police said Taylor had made a right turn off Madison avenue and hit the cars of John M. Kozak, 42, of 1322 Sixth street, and Paul Lansford, 41, of 1015 Iowa street. Taylor was later released on bond.

Faces Two Charges

Charges of drunkenness and creating a disturbance were placed against Andy P. Sakala, 42, of 2200 Garfield avenue, who was arrested about 3:35 a.m. Sunday in the 3600 block of Franklin avenue. He was later freed on \$32 cash bail, pending a hearing.

Six Injured Friday

A two-car collision about 1000 feet north of Pontiac road on Route 111 injured both drivers and the wife and three children of one at 9:05 p.m. Friday, state troopers reported.

Admitted to St. Elizabeth Hospital were Ora T. Foshee, 12, Royal Route One, and his son, Stanley, eight. Both were reported in fair condition. Foshee suffered chest and arm injuries and possible spine damage and his son underwent X-rays of a bruised forehead.

Also injured but not admitted were Mrs. Margaret Foshee, 32, Wayne, six and William Foshee, 11, Richard L. Duguid, 24, Colfax Hills, driver of the other car, was treated for abrasions to his left elbow and hand and light knee.

State troopers said Duguid was on the wrong side of the road when the collision occurred and that his auto skidded about 100 feet down the highway after the crash. The Foshee auto tried to avoid a crash by averting police said.

Duguid was ticketed for driving on the wrong side of the road.

3 Hurt In Crash

Three persons, including two teenage girls were injured in a two-car collision at Niedringhaus and Madison avenues, the motorist, Orville J. Kempf, 30, of East St. Louis, who suffered minor injuries, was charged with reckless driving and failure to heed a flashing red traffic signal.

Treated at St. Elizabeth Hospital were Pamela A. Schmidt, 17, of 4356 Breckenridge lane, driver of the other car, who suffered bruises to the left hip and left forearm, and a passenger in her car, Suzy Rutherford, 16, of 4035 Garden lane, who was treated for abrasions and contusions to the face.

Police said the Schmidt auto was traveling west on Niedringhaus, while Kempf was driving north on Madison avenue. He posted his driver's license as bond.

A Granite City motorcycleist, Robert Cantlon, 24, of 2820 Cayuga street, was injured about 9 p.m. Saturday when he was thrown from his cycle as it struck a dog on State Route 159 near French Village.

Cantlon, an employee at a local industrial plant, was thrown from the cycle but was able to slide it home. He was treated at St. Elizabeth Hospital here for abrasions to both arms and an injury to his left knee.

3 Drivers Arrested

All three motorists involved in a three-car crash in which one auto overturned at 28th street and Washington avenue were arrested at 9:30 p.m. Saturday by Granite City police.

John M. Wideman, 17, of 703 Kirkpatrick Homes, who was injured slightly when his car rolled over, was charged with driving too fast for conditions, while the other drivers, Larry W. Carter, 16, of Cahokia, was charged with following too closely, and William B. Carter, 15, also of Cahokia, was charged with failure to yield right-of-way.

Police said Wideman was traveling south on Washington avenue, while both of the Carter's autos were going east on 28th street. First colliding were the autos of Wideman and the older Carter, while the car driven by Larry Carter, crashed into the rear of William Carter's auto.

The motorists were released on bonds.

A two-car crash occurred on Route 200 about 12:45 a.m. Saturday when one of the west-bound autos slowed for the intersection of State A-35, state troopers said.

Injured was Peggy Nowicki, 28, a passenger in the car driven by Henry Nowicki, 41, of 927 Reynolds street. She was taken to St. Elizabeth Hospital and released after treatment for abrasions to her nose, knees and right elbow.

Donald Zieck, 42, of 2463 St. Clair avenue, driver of the other auto, was uninjured.

David Brewer, son of Mr. and Mrs. Robert Brewer, 3120 W. Wayne, was treated at St. Elizabeth Hospital for a minor head injury Saturday afternoon and released. It was learned he rode a bicycle into the rear of a truck and was knocked down.

Furnace Project Workers Return To Jobs Today

Work was resumed today on the blast furnace replacement project at Granite City Steel Co. with agreement reached Friday between Koppers Construction Co. and Laborers' Local 397 that had been picking the site since Aug. 16.

Chief Hayward, project manager for Koppers, said today he had "no information to give" on terms of the settlement and declined to say whether the dispute over back pay for 25-cent hourly premium wages had been resolved by payment of the wages. Back pay estimated at more than \$15,000 had been at stake in the dispute, which dates back to the spring of 1960. The project was valued at \$1.5 million, but laborers actually carrying bricks but usually not to those on the west side of the foundation.

About 225 men including 40 laborers and 185 other workers are assigned to the project which now is expected to be completed by late in the fall.

Union Business Agent Jack Green could not be immediately reached for comment.

Accident Victim Fair
Lloyd M. Shattell, 41, Belleville, hurt Aug. 18 when his auto struck a tree off Route Three a mile north of Bypass 66, in a fair condition today at the Jefferson Hospital, St. Louis.

Traffic Arrest
Charged with exceeding the speed limit in the 2700 block of Grand avenue at 3 p.m. Friday was James W. Cornett, 18, of 1752 Venice avenue. He posted his driver's license as bond.

Speeding Charge
Delbert W. Angle, 17, of 2906 West 20th street, was charged Friday at 2 p.m. and charged with exceeding the speed limit in the 2800 block of Iowa street. Posting his operator's license, he was released pending a hearing.

Poss \$22 Cash Bail
David J. Conway, 43, St. Louis, was released on \$22 cash bail pending a hearing on charges of speeding and passing a blinking red light at 20th street and Madison avenue Friday at 3:30 a.m.

Traveling south on Washington avenue, while both of the Carter's autos were going east on 28th street. First colliding were the autos of Wideman and the older Carter, while the car driven by Larry Carter, crashed into the rear of William Carter's auto.

The motorists were released on bonds.

A two-car crash occurred on Route 200 about 12:45 a.m. Saturday when one of the west-bound autos slowed for the intersection of State A-35, state troopers said.

area led to the 500 block of Shugh road, about four blocks south, where Walker was found on the front porch of a house. An ambulance was summoned to take him to the hospital. He had been wounded once.

Chief DeWitt said Walker, a laborer for a scrap firm, will be taken into custody upon his release from the hospital.

Tavern Burglary
Madison police were called to the Cardinal tavern, 1413 Second street, at 3:30 a.m. today by Magnus Leisner, bartender there. He said he had left the tavern at 4:15 a.m. and when he returned he saw the front of a clear-vending machine leaning against a wall.

Investigating officers said the building had been broken open through a basement door on the alley, and both the vending machine and a jukebox had been taken. Leisner estimated \$30 to \$35 had been taken from the machine, and said \$6 or \$7 in nickels was taken from a jar under the counter.

Cash Drawer Tapped For \$100
Fruit-tappers, a pair of young women, made off with about \$100 from the cash drawer in Jim's Beauty Salon, 1501 Third street, between 9:30 and 10 a.m. Saturday, it was reported to Madison police by the proprietor, James Wilson.

He told police the women, a blond and a brunette, were in the front of the shop while he was waiting on customers at the rear, and that they called to him that they were leaving for a minute to get soft drinks and would return.

A short time later, Wilson went to the cash drawer to get change and discovered the missing money. All in currency, was missing.

2 Machines Stolen
Two "pull lift" machines, valued at \$150, were stolen Thursday night from the Owens-Illinois Paper Products Co. plant at Madison, it was reported to police by C. V. McLaughlin, personnel director, who discovered the theft Friday morning.

Police were told each of the 12-ton capacity machines was valued at \$95.

The Madison Iron and Metal Co., 1408 Sixth street, was entered Thursday night, by thieves who broke open a soft-drink vending machine, taking about \$5 from the coin box. Wesley Fetter, an employee, reported the break-in at 7:25 a.m. Friday.

Authorities said entrance was gained by removing a board from a wood fence that surrounded the rear of the building and through a side door which apparently was not locked. The machine had been jimmied with a crowbar taken from the office, and both the crowbar and the coin box were left lying near the vending machine.

A small electric motor and a water pump were stolen from outside the Horse Shoe Lake Rod and Gun Club on Bend road, Thursday night or early Friday, Virgil Layton reported to county authorities. He said they were mounted on a wooden platform.

\$12 Robbery Reported
Venice police received a call at 12:45 a.m. Friday from Sam Apponey, 809 Fourth street, Venice, who said he and Dan Apponey, No. 6 Jones Park, place had been robbed a short time earlier by two youths.

Fetter said the pair came to his house asking directions to Brooklyn, then left. Apponey came a short time later, he reported, and while the door was still open the two youths returned, threatened them with a wrench and took their money. Fetter said he lost about \$40, and Apponey said \$12 was taken from him. Apponey said one of them held him around the neck and held something which might have been a knife to his back.

Fetter described the two youths, as 16 to 20 years old, about five feet, six inches tall, and weighing about 135 pounds. Police who answered the call searched the area, but found no one, answering the descriptions.

Dr. G. E. Halvams, 1243a Niedringhaus avenue, reported to police Friday at 2:20 p.m. that a small brown portable radio used in his waiting room at

She said the public works committee, headed by Alderman Sam Whitmer and also including Aldermen Paul Rutledge,

Steve Ortiz, 1744 Maple street, reported to police Friday evening that two green and white aluminum lawn chairs were taken from his front yard Thursday night.

A chance lounge of tubular aluminum construction with a green, white and pink pad was stolen after 10 p.m. Saturday off a porch at the Raymond Adams home, 2301 Lynch avenue. It was reported to police Sunday morning.

Roy Massey reported to police that a hand powered lawn mower was taken from the Massey Dairy Inc., 20th street and Madison avenue, Thursday. Gene Robertson, 1804 (rear) Sixth street, Madison, told police at 11 p.m. yesterday that two spinner hubs had been taken from the theft occurred sometime between 8:30 and 10:45 p.m.

Melton-Annhart Nuptials At Tri-City Park Church

Tri-City Park Tabernacle was the scene Saturday evening of the 7 o'clock wedding of Miss Earlene Annhart, a daughter of Mrs. Fenia Annhart, 1331 Harris street, Madison, and David L. Melton, a son of Mrs. Marie Morgan, 2605 East 23rd street.

Emerald arrangements and candles in hurricane-type aisle candelabra decorated the church. White satin bows, together with huckleberry foliage, marked the family pews. Rev. R. D. Shaw performed the ceremony and a reception was held afterward at Kirkpatrick Homes Recreation Hall.

Music was furnished by Mrs. Shaw, organist, and Mrs. Marshall Brooks, vocalist. The latter sang "Wedding Prayer" and "Give Me Your Hand."

The bride wore a gown of Chantilly lace, net and tulle, made with a scoop neckline, enhanced with seed pearls. Long sleeves, tapering to the wrists, were set into the fitted bodice and the bouffant skirt, held wide with huckleberry lace yoke in front. Tiers of lace in the back terminated in a cathedral train and a veil of soft tulle edged with lace was caught to a coronet of pearls and lace. A cascade bouquet of white gladioli and an orchid was carried by the bride.

The attendants' gowns were made alike of aquamarine silk organza over net and tulle. Ballerina-length, they had light bodices and full skirts extended with ermines, featuring back puffs trimmed with ruffles. Flats and shoes matched the dresses and they carried cascade bouquets of yellow gladioli.

Miss Loretta Stephens was maid of honor, serving with two bridesmaids, Miss Jane Schofield and Miss Dianne Sellers. A flower girl, Pamela Smith, the bride's niece, carrying a basket of rose petals, wore a frock of white silk organza with an aquamarine cummerbund. It was trimmed with lace and flowers and a flower-covered sash. Hand held in place a brief veil. Mike Schreier, a nephew of the bride, carried the rings.

Dennis Cooper was best man and the groomsmen and usher corps was composed of Leon Stephens, a cousin of the bridegroom, Bill Smelser, David Schofield and Harold Tankyale. The bride's mother was in a light blue eyelet silk sheath dress, a matching jacket and navy blue accessories. The groom wore a two-piece orchid tuxedo and white accessories. Both wore white orchid corsages.

The bride is a graduate of Clinton, Ark. high school. Mr. Melton is a student of Evangel College in Springfield, Mo., for one year after graduating from Granite City high school and is now a student at Central Bible Institute in Springfield.

The newlyweds were married at 1045 East Pacific street, Springfield, Mo.

BIRTHDAY PARTY
Mr. and Mrs. Robert Nierpert, 2235 Edwards street, entertained guests at a family dinner party Saturday evening to celebrate the eleventh birthday of their daughter, Nancy.

Present were Mr. and Mrs. D. O. Kinney and twin daughters, Diane and Donna, Mr. and Mrs. Richard Van Hook and children, Susan and Dick, of Collinsville, Mrs. Ruth Johnson and Clark Nierpert.

Sharing honors with Nancy was her uncle, D. O. Kinney, who was also celebrating a birthday. Gifts were presented to the honor guests.

Miss Dale Kaseberg Becomes Bride Of Barry Gushleff

Standard candelabra holding flickering tapers and bouquets of white gladioli and chrysanthemums combined with greenery provided the setting in which Miss Dale Kaseberg, a daughter of Mr. and Mrs. Howard Kaseberg of Rural Route One, and Barry W. Gushleff, a son of Mr. and Mrs. William T. Gushleff, 712 Madison avenue, Madison, were married at First United Presbyterian Church, 22nd street and Delmar avenue, Saturday evening.

Rev. David B. Maxton performed the 8 o'clock ceremony. The soloist, Miss Sandra Lierman, sang the 23rd Psalm accompanied at the organ by Kenneth MacClatchey, who played the wedding march and recessional.

Given in marriage by her father, the former Miss Kaseberg wore a gown of white silk organza over tulle. The bodice of Belgian lace with cap sleeves was cut to a sabrina neckline and the train trimmed with appliques of lace, crystal beads and seed pearls, ended in chapel train. The bride's veil fell from a frosted flower and the bridal bouquet, a cascade, was made up of gladioli and lilies of the valley.

Miss Kaseberg, the bride's sister, maid of honor, and three bridesmaids, Miss Beth Swanson of Cleveland, O., a cousin of the bride, Miss Carolyn Godman of Kansas City, Mo., a former roommate at Northwestern University, and Miss Paula Gushleff, the bridegroom's sister, were dressed in identical gowns of white pique de sole and lace with oval necklines and short sleeves. The brides were of lace and hats of ivory were worn in their hair. All of the girls held colonial bouquets of white carnations and English ivy.

SQUARE DANCING, SIGHTSEEING TRIP

Mr. and Mrs. Edward R. Boyd and daughters, Suzanne, Sherie and Shelly, accompanied by Suzanne's dancing partner, Gary Greene, returned last week from a vacation in Colorado. The vacation was divided between sightseeing in the Pike's Peak area and square dancing. Greene and Boyd exchanged views on teaching techniques with numerous Colorado callers, both authentic western and modern callers.

Highlight of the trip was a meeting with Mrs. Dorothy Shaw, wife of the late Dr. Lloyd "Pappy" Shaw, credited with being responsible for the rebirth of square dancing. The discussion, held in Dr. Shaw's personal library, ranged from the origin of square dancing to mutual interests of children in square dancing.

Mrs. Shaw took the Boyds and Greene through the new square dance hall built on her Cheyenne Mountain property and dedicated to the memory of the late Dr. Shaw. They also visited a school where he started teaching the dance as it is known today.

During their stay in Colorado, the local group danced and called in the Broadmoor Hotel, and Acadia Park, Colorado Springs; Blumcroft Park, Memorial Hall and Carriage Stop, Manitou Springs; and the community center, Green Mountain Falls.

In connection with gathering of information for use in the Tadpole Squares and the Granite City park district square dance program this fall, an agreement was reached with Nyman Chichester, who studied exclusively under Dr. Shaw, for a continuing exchange of views and ideas on modern and authentic square dancing. It was further agreed that Chichester and Boyd will coordinate their efforts to promote youth in square dancing on a nationwide basis.

HOME FROM CALIFORNIA

Pat Kelly, son of Mrs. Helen Kelly, 1423 Third street, returned home Saturday by train after spending two months visiting relatives in California.

Time was spent with Mr. and Mrs. David Kelly, a brother and sister-in-law residing in Long Beach; an uncle and aunt, Mr. and Mrs. Bacon and family in Downey; and another uncle and aunt, Mr. and Mrs. Harold Blacksheere, in Oakland.

A "welcome home" party was given in his honor Saturday by his mother, Mrs. Kelly, in their home. Those present were Mr. and Mrs. Jim Burns and children, Jeanine, Carol and Jimmy, and granddaughter, Jeanine; Mr. and Mrs. Roy Burns and children, Danny and Amy, of Coltonville; Mrs. Frances Flemming and grandson, Tony, of Madison; Mr. and Mrs. Rodger Blacksheere and son, Mike, of Granite City; Mr. and Mrs. Jack Kelly and children, Christine, Sean, Norma, Karen, Michael and David, of Madison and school friends of the honored guest, Jerry Nishke, Ted Nizinski, Gary Burns, John Hutchings, Jerry White, Gary Elliott and George Davis.

Pizza, ice cream and cake were served during the evening to the guests.

CANASTA CLUB MEETS

Mrs. Mary Allen was hostess to the Jokers Canasta club Wednesday evening in her home, 2018 Stoen street. Mrs. June Barham and Mrs. Lucille Boyles were the winners at one table, while Mrs. Dorothy Smith and Mrs. Kathryn Hakkarainen were winners at the second table. Mrs. Zivora Stagner, Mrs. Allen, Mrs. Edith Gentry and Mrs. Leona Williams participated in the games played. Mrs. Gentry and Mrs. Williams were guest players for the evening.

Prizes were awarded to those playing, with the winners having a choice of the prizes. Refreshments were served by the hostess. The members will meet in two weeks in the home of Mrs. Mary Adams.

ARRIVES FROM EUROPE

Mrs. William H. Sherman of Los Altos, Calif., arrived in Madison Friday evening by plane after spending the summer in Europe with her husband's parents, Mr. and Mrs. Harold Sherman of Los Altos. Mrs. Sherman is the former Miss Mary Bevil, who is at the home of her parents, Mr. and Mrs. B. B. Bevil, 1529 Second street.

Mrs. Sherman will visit with friends and relatives in this area during a stay of a few days with her parents.

THEATER PARTY

Mrs. Mary Lou Peterson, Mrs. Helen Withers, Mrs. Helen O'Quinn, Mrs. Dorothy Myrda, Mrs. Delores McGarvey, Mrs. Theresa Carnahan and Miss Joan Besserman, members of the Gadsbush club, enjoyed a theater party and dinner in St. Louis Thursday evening instead of a regular meeting, usually held in the homes. Mrs. Carnahan will be co-hostess with Miss Besserman in the Besserman home Sept. 19.

The Ladies Quilting Society of the First Methodist Church gathered at the church Thursday for a full day of quilting. A sack lunch was enjoyed by the members during the noon hour, after which quilting was resumed. Members quilting were Mrs. Alma Capehart, Mrs.

War I Vets, Auxiliary Meet At Litchfield

District Four of the Veterans of World War One and the Auxiliary met in Litchfield Sunday afternoon at the VFW home with 116 attending. The meetings were conducted by the district president, Mrs. Barbara Summers of Wood River, and the district commander, Joe Bergrath of Madison.

Amanda Hill, Mrs. Wilma Sackett, Mrs. Cornelia Hommer, Mrs. Minnie Martin, Mrs. Belle Woodring and Mrs. Nova Samuels.

Guests for the day were Mrs. Helen Merritt, department president, of Springfield; Mrs. Marie Willigen, department American chairman, of Chicago; and Nick Willigen, department commander, of Chicago, who spoke to the men on legislation.

Following the meeting a luncheon was served. Those attending from this area were Mr. and Mrs. Leo Hendricks, Mr. and Mrs. Jay Elliot, Mrs. Kathryn Peters, Mrs. Estella McBrien and Mrs. Andrew Brown. The next district meeting will be held in Edwardsville on Oct. 29.
